

Brunswick & North Kite Residents Association

Annual Barbecue Sunday July 6th ~ 4pm-7pm

This year, we're at "The Burleigh Arms" again on Newmarket Road. There's a beer garden at the rear, and Lucy & David will be setting-up the BBQ for us- Bring along your own burgers, sausages or veggie thingies, to cook on the BBQ, various salads, burger buns, ketchup etc. will be provided.

Do come along and find out what's been going on in the BruNK area over the last few months, and we have invited your Ward Councillors along too, so they can pass on any information on current topics.

- **CRC development** concerns over traffic, access points, service vehicles
- **Strawberry Fair**- suggestions for improvements, comments etc
- **Midsummer Fair and Midsummer Common** issues, vehicles, events ,
- **BruNK has expressed concern** regarding the declining state of both Fitzroy and Burleigh Streets- still no takers for the Robert Sayle site, and several shops still vacant.
- **Zebra Crossing** finally installed, but in need of improvements ?
- **HCV Restrictions** now in place- are HCV's still using us as a "through-route" ?

We look forward to meeting you all again at our annual BBQ, and if you are concerned with what's happening in the BruNK area do come along for a friendly get-together, and meet fellow residents; have a chat and a drink and meet your BruNK Committee members.

We rely entirely on donations to keep the Residents' Association running, so we won't be refusing any amounts offered-our Treasurer's hat will be passed around !

Wendy Andrews <chair@brunk.org.uk> Don't forget our Website
